Welcome aboard !

3A France is a French owned company providing legal and technical maritime assistance.

Our company started out in **2002**, led by professional staff, some of whom have more than 25 years experience in this very specific sharp field.

Our office is based at Marseille (FRANCE), at a stone throw distance from the [Port Autonome de Marseille](#), where from, in addition to our surveys in various French and other European ports, we supervise the daily operations in the numerous ports that we cover in Africa and Asia.

*Our General Manager, Mr Philippe PRUVOT, started his activities in this field back in **1981** in the City of London, working for Thomas R. Miller & Sons (United Kingdom Mutual P&I Association).*

Later on, he joined one of the then leading P&I Clubs' Correspondents where he was in charge of their offices in West Africa.

Our team consists of ex seafarers of different ranks as well as legal advisers specialised in Marine Claims. In addition to French and English our team has fluent Greek, Vietnamese and Thai speakers.
